

OPTIMA

SHOWER ENCLOSURE

SP

PORCELANOSA

OPTIMA

New family of minimalist design, floor-to-ceiling enclosures. With 8 or 10 mm thick tempered safety glass, with easy-clean treatment (System-Glass) applied.

Different finishes in profiles (gloss and black) and glass (transparent, matt, grey, mirror, bronze or with silk-screen printing to suit the client's taste).

A highly versatile enclosure to cover any type of space thanks to its different models (fixed, doors, partitions or fixed+door) and a maximum height of 2500 mm. As it is a framed enclosure, it gives great strength and robustness to the assembly.

Optima 2 - Gloss - Transparent Glass

Optima 1 - Matt Black - Bronze Glass

Production times: Standard (15 days manufacturing), special formats and serigraphs (21 days manufacturing).

Gloss or Matt Black

Anodised aluminium profiling with two finishes, gloss or matt black, which achieves maximum performance in terms of safety, wear and corrosion resistance.

Standards

ANSI Z97.1-2015 UA 16 CFR 1201 II
EN 14428- 2016

Optima 1+2+9 - Gloss - Matt Glass

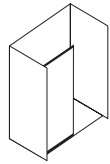

Maximum security 8 or 10 mm tempered glass that complies with the EN-12150 standard. It also includes the SYSTEM-GLASS treatment as standard, which reduces the adhesion of dirt and limescale.
